after a quarter of a century in the Senate, said: "In such an overturn, no man can justly harbor a feeling that his own record has been repudiated." Industrialized Connecticut and Massachusetts saw the biggest overturns as the Republicans showed more strength than since the days of Calvin Coolidge in some districts.

Baldwin Goes to Senate.

With Gov. Raymond E. Baldwin leading them as he won a seat in the Senate, Connecticut Republicans gained all the State's six congressional seats and the Governor's chair. James L. McConaughty, former president of Weslevan University, was named the State's chief executive.

One of the new Congress members from Connecticut will be John Davis Lodge, brother of the Massachusetts Senator-elect. Both Lodges-grandsons of a dean of the Senate in the days of World

War and shortly after—are veterans of World War II. Tobin Defeated as Governor. In Massachusetts, the Republicans wrested the governership from

Maurice J. Tobin, Democrat, as well as the senatorship. Gov. Tobin, seeking a second term P as Governor after serving seven years as mayor of Boston, was beat-

en decisively by Robert F. Bradford, present Republican Lieutenant Gov-The Democrats picked up one House seat in Massachusetts when P Harold D. Donohue defeated Rep-

resentative Holmes, Republican, in the 4th district. Mr. Donohue's victory, by a vote of 59.745 to 56,999, cut the Massa- P chusetts Republican delegation in the House from 10 to 9, and gave the Democrats a fifth seat.

McGrath Wins in Rhode Island. Even in Rhode Island, where popular J. Howard McGrath, Democrat, won the Senate sent being vacated P by Democrat Peter Gerry, the Republicans made inroads and captured a majority of the State's

mayoralty posts. The Democrats clung to control of statewide offices, however, even though finding rough going. Mr. P McGrath, three-times Governor and until recent months United States Solicitor General, ran 9.628 votes behind two years ago but had strength enough to defeat Republican Gurnee Dyer, well-to-do gentle-

man farmer. Democrat John O. Pastore, who ascended to the governorship when Mr. McGrath resigned, won a ful term and the State's two Democratic Representatives-Aime Forand and John E. Fogarty-retained their seats. Vermont and New Hampshire-

traditionally Republican-went 100 per cent down the line for the GOP. Flanders Elected in Vermont. Gov. Charles M. Dale of New P Hampshire was returned with the

first all-Republican executive council in 20 years. The Granite State's two Congressional seats went to -The 42,686-vote majority piled up P by Gov. Dale was the largest in New Hampshire's 161-year history of

naming Governors by constitutional processes, Secretary of State Enoch D. Fuller said in Concord today. In Vermont, Industrialist Ralph E. Flanders, Republican, was elected P to the Senate by a four-to-one mar-

gin as successor to Warren R. Austin, new United States delegate to \_ the United Nations. Ernest W. Gibson, 45-year-old P former Army colonel and son of a

former Senator, was named Gover-Plumley Is Re-elected. Representative Plumley, Republican. Vermont's lone Representative

in the House for a decade, was returned. Even though sweeping Massachusetts, the Republicans faced a possible loss of a seat in the congressional delegation they now control,

With only 17 precincts still out, Representative Holmes, Republican, was trailing Democrat Harold D. Donahue, a war veteran, by 1,500 P votes in the 4th district in Central Massachusetts.

The nine other Republican repcluding Representative Martin, who is slated to be Speaker of the House in the Eightieth Congress.

The Democrats at worst held their own, definitely clinching four places. House Majority Leader McCormack was re-elected without opposition. A new face in the Democratic delegation will be John F. ### -----------------"As a natural result my business improved"

After telling of his healing of physical illness through Christian Science, a business man continues in one of many similar letters reproduced in the Christian Science text-

SCIENCE and HEALTH with Key to the Scriptures by Mary Baker Eddy:

"Gradually...this...teaching...became a great help to me in my business. I became more friendly, more honest, ... acquired better judgment and was able to do the right thing at the right time. As a natural result my business improved....

"My business had often been a burden to me, fear and worry deprived me of my rest. How different it is now! Through the study of the Bible ... and of our textbook... I receive peace and confidence in God and that insight into character which is necessary for the correct management of any business."

The complete explanation of Christian Science and complete instructions for its use in healing disease and overcoming other difficulties, are given in "Science and Health with Key to the Scriptures."
